

Parenting a Strong-willed Kid

*Do your child's emotions seem out of control?
Do they struggle with behavior issues?
Do typical parenting strategies not seem to help??*

Many common parenting strategies backfire in kids with strong-willed temperaments. Come learn research-supported techniques from Dr. Myket, who works with strong-willed kids on a daily basis. Get support from other parents who understand and will encourage you on the journey. Each week includes time for questions and answers.

Our Group will help parents

- ❖ Understand the emotional world of strong-willed kids
- ❖ Build a more positive relationship with their child
- ❖ Learn effective behavior management skills
- ❖ Apply these skills in everyday situations
- ❖ Find hope and encouragement as a family

Our 8 week group for parents with kids of ALL ages meets Wednesdays 6:00-7:00pm. Starts March 1st through April 26th. No group on 3/29. Insurance accepted. In-Network with BCBS PPO.
