

Susan Myket, Ph.D. & Associates

A Child, Teen, & Family Psychology Practice Full-Time/Part-Time Career Opportunity Master Level Clinician

Susan Myket, Ph.D. & Associates, a psychology practice in Chicago's western suburbs, has an immediate opening for a part-time or full-time therapist to provide therapy to children, teens, and parents. As a large family psychology practice, we see clients who have a variety of presenting problems, such as anxiety, depression, autism spectrum disorders, ADHD, OCD, oppositional defiance, adjustment to stressors, trauma, disordered eating, and learning disabilities. The practice is well-respected in the community. The Intake department and administrative staff work together to manage the paperwork and administrative duties, allowing clinicians to focus on therapy. Our billing company handles all insurance and financial matters. Groups are a highly desired service at the practice. We offer groups for all ages—children, teens, young adults, and parents. The practice is a warm, interactive, and collaborative environment, where clinicians often work with different family members together.
